

# COD AU GRATIN

This is a nice tasty filling dish that again is easy to make.

- Serves 4
- 50 g breadcrumbs
- 4 cod steaks
- 25g butter,
- 100g Isle of Arran cheese
- pinch of mustard powder
- lemon to garnish

Grill the breadcrumbs until golden and leave to cool. Season the steaks on both sides. Place the steaks on foil under a medium grill, put a knob of butter on top of each steak. Grill for 6 to 8 minutes. Mix the breadcrumbs with the cheese and mustard. Then turn the fish over and cover with the breadcrumb mix and grill for a further 6 to 8 minutes. Garnish with a few lemon twists and serve.
